WILLIS WALLS

(Continued from page one) Canal Point, is practically in the race for the seat on the State Railroad Commission now held by Jerry W. Carter.

And Sidney J. Catts, Jr., son of Florida's war-time Governor during World War No. 1 is being

urged by several friends to seek the seat of Congressman from the State at Large which the last census entitles Florida to have. Mr. Catts has led the ticket in the last two general elections for Delegate to the National Convention from the State at Large, and has many friends throughout the State who would like very much to have him make the race next year for Congress. His father's popularity and the fact that he is backed by Catts, Jr., will be a definite asset to his campaign in the Congressional race.

which delayed the re-commissioning of the filter for six hours. The water superintendent and a gang of negroes worked continuously from eleven o'clock Tuesday until six o'clock Wednesday morning under my direction. Incidentally, this engineer runs a pair of trousers and shoes through his activities which included operating a shovelful in a wet mud hole. The negroes were not allowed to leave. Food was brought to them. It is a sad commentary, however.

Evans, Howard Moore; War, W. L. Cunningham, Jr.; Crime, Edwin Hampton; Poverty, Mrs. Frances Harris; Pleasure, Miss Elizabeth Cunningham; Paganism, J. W. Rashley; Indifference, Miss Gloria Ingram.

Demonstration Club Holds Regular Meet

The Home Demonstration Club held its regular meeting Tuesday afternoon at the home of Mrs. James Scullen, with Mrs. Ralph Kidder presiding over the brief business session and Mrs. Tharold Nelson in charge of the program on canning non-acid vegetables. She demonstrated the use of a pressure cooker for canning and was assisted by Mrs. Edith V. Burrus, home demonstration agent of Palm Beach county.

During the social hour, a gift exchange was held. Mrs. Lewis Murray was co-hostess and assisted in serving refreshments which carried over the Yuletide and were decorated with lighted candles.

Guests attending were Mrs. Anna Valler of St. Louis, Mrs. Milton Campbell and Mrs. Minnie Holmes. Members present were Mrs. Carl Ogde, Mrs. Jay Freedlund, Mrs. H. A. Stoltenberg, Mrs. Hugh J. Bratley, Mrs. M. M. Schuster, Mrs. Walter Hooker, Mrs. Thomas Bregger, Mrs. H. H. Hart and Mrs. J. R. Neller.

Services on Xmas

Christmas Day services will be observed by St. Peter's Evangelical Lutheran church of Belle Glade with a special matinee service at the home of the Club, beginning 9:00 a. m. The pastor, the Rev. Arlo M. Mueller, will speak on the topic, "The Rightful Lord of the Christmas Morn and Spirit."

To be included in the program will be recitations by the children of St. Peter's Sunday school. The public is cordially invited to attend.

Win One—Lose One

South Bay.—The South Bay Rats played two basketball games last week winning the one at LaBelle against the LaBelle Racers by a score of 45-19 and losing the game with Moore Haven by a score of 33-11.

AROUND FLORIDA

The Central Florida Fair and Exposition is scheduled for Feb. 23-28 at Orlando, officials announced this week. The coming show will be the 33rd annual event.

"Remember Pearl Harbor." Your times quarters. Total dollars invested in Defense Savings Stamps and Bonds will help provide ships, shells and planes to help Japan America's answer.

Dupree Gardens, located 13 miles north of Tampa on State Road No. 5, was formally opened for the winter season last Sunday. This beautiful spot has taken its place as one of the state's outstanding attractions. Thousands attended the opening ceremonies.

The Florida National Exhibits will continue their efforts to "sell" and this winter plan to feature attractive state exhibits at important national conventions such as the meeting of Agricultural Secretaries in Columbia, the Sportsmen Show in Houston and the Florida State Fair in Tampa.

Chester B. Treadway of Orlando has been named for the second year as state chairman of the annual Florida Paralysis Campaign. His appointment by national chairman Keith Morgan was because of the splendid record he had in conducting Daytona Beach to act as state organizer for the campaign.

Florida will open what is expected to be a banner racing season when the first race gets away at beautiful Tropical Park in Miami, Dec. 20. Gables Racing Association officials state that over 800 thoroughbreds are now in their stalls and others are expected. Every Florida county benefits from racing revenue and a good season will materially relieve the state and county revenue problem, it is pointed out.

Questioned as to whether or not the Florida State Fair would be held this year, officials stated that to date there was no change in plans and the Fair would be held as usual. Manager P. T. Strider pointed out that in Canada the famed Canadian National Exposition was held in spite of the war and drew larger crowds than ever before. Dates for the 1942 Florida Fair at Tampa are Feb. 3 to 14th.

All Florida will benefit from greatly improved bus transportation facilities if the application of Florida Motor Lines, for permission to operate through daily schedules from Lake City and Tallahassee to Miami through central Florida and via Childs Crossing, Moore Haven, Clewiston and South Bay to Miami via route 26 and 26-A is granted. Hearing on the application will be held by the Florida Railroad Commission at Moore Haven, Jan. 6 at 10 A. M.

Tampa, Dec. 19 (FNS).—In a mammoth building with 18,000 square feet of floor space, designed to portray Florida's tropical atmosphere, Florida National Exhibits, under the direction of Earl W. Brown of De Land, will present a preview of 1942 displays at the state fair here, Feb. 3 to 14, it was announced today.

"Florida on Parade" will be the new title for the elaborate array of animated panoramas and dioramas that depict in lifelike accuracy the charm and industry of the state. Several of the displays were shown at the New York World's Fair and in Atlantic City but the majority represent the new ideas to be introduced in new presentations next summer.

RED CROSS CAMPAIGN

(Continued From Page 1)
Mrs. Hayman, Joe Freedlund, J. Harris and Lee Pickett will work the packing house and business districts of the community.

Allan Williams, supervising principal of negro schools in Belle Glade, will solicit in Okaloosa Migratory Camp where the negro high school is located, and Lawrence Schuler will solicit in the colored quarters of the town proper.

This is the most worthy and worst needed drive that has been set on by the Red Cross since World War No. 1 and residents of this community are urged to give "all it hurts." Let's raise the quota given Belle Glade in the two days allotted for the drive.

Each man, woman and child in Belle Glade should subscribe the minimum membership of \$1. If this is done the drive will be over the quota. One dollar is the minimum—the sky is the limit.
